Secure the tray tables! The Red Arrows do a Gypo Split!

THESE FOUR

planes - flying in a bum-squeakingly tight formation and belching out coloured smoke - are flown by plucky chaps from the Red Arrows. This inchperfect, eye-catching stunt, at 3,000 feet up in the sky over Derbyshire is the Gypo Split. Impossibly dangerous, it requires the utmost concentration, precision and coolness under pressure. The coloured smoke is just for effect, see? Like when a ninja ties a red ribbon to his katana. Note to self: need to play fewer video games.

A quick word with... Richard Hammond!

Top Gear legend the Hamster on Megan Fox, cheese and his brand new show in America!

Hi Richard! You're off to the States to film Hard Drive With Richard Hammond for BBC America. Cars in the US are normally massive. Will you have to wear platform shoes to reach the pedals?

No because I'm not driving

No, because I'm not driving cars! It's working vehicles. I'm going to be meeting a load of blokes who make a living driving incredible devices that rip up trees in forests and turn them into planks of wood, and blokes who drive enormous cranes hauling stuff up the side of skyscrapers.

Will you forge a career in Hollywood while you're over there, or are you too short?

Well, it doesn't matter on film, because you can stand closer to the camera. But yes – I'm probably going to be the next action hero. I imagine *Die Hard 6* will involve me trying to brutally

find my way out of a library that's been taken over by middle-aged women.

People eat loads in America. Will you indulge?

I'm a bit worried about that. It's f**king impossible to eat healthily in America because even the cheese has cheese on it. So you go, "I'll have a nice salad, please," and it's just swimming in fatty stuff. So I'll probably starve to death.

Wouldn't it be easier to employ the equivalent of you from the American *Top Gear* to do your new show over there instead? Which one's the equivalent of me in the States?

The short, annoying one, obviously.

That's the fella! But no. The idea is that it's me taking on America. I'm going over and saying, "I've driven everything over here. Now I'm going to drive the hardest, most

technically demanding American vehicles." It'll be a bit embarrassing if I f**k it up.

Presidents Barack Obama, Abraham Lincoln and JFK are hitchhiking. You have room for one. Who do you pick up?

Lincoln had the best hat, by quite a long way. But if I'm driving something low, it's going to be pretty difficult. Obama's going to want to talk about all sorts of serious sh*t. I don't think I can be bothered with that. JFK got shot in a car. I'd take him, just to get to the bottom of all the conspiracy theories.

Paris Hilton, Lady Gaga and Megan Fox are hitchhiking. You only have room for one. Who do you pick up?

Lady Gaga? No. Paris Hilton? Christ, no. I'd pick up Megan Fox, but I'd prefer Shakira. Damn, she's hot.

Are you planning on dating a movie or music star when you go to America?

Yes, I'll probably date a string of movie stars. I'll probably start with Shakira, then move on to Megan Fox, then who knows? I'll be a long way from my wife so she won't necessarily know.

What happens in America stays in America!

Ha! Exactly. Then I come home and pretend nothing happened. In this current climate, this day and age, where's the issue with that?

Are you any good at taking on the *Total Wipeout* course or can't you reach?

It is genuinely bloody massive! I've only actually been out there once, but I cheated and used a wire.

A ladder?

No, I was suspended on a wire. It's impossible, man. I'm genuinely astonished that anybody does it. It's really bloody terrifying. It really is!

You recently sold your Lamborghini. How come?

I'd always wanted one, so I bought a black Lamborghini Gallardo Spyder, but I felt a bit of a t*t. They work in the South of France. I live in the countryside. I thought, "I'm a family man. I'm going to do the sensible thing and buy a pink VW camper van to take my girls on holiday." Now, I have to drive around in a pink VW camper van.

Thanks, Richard! Finally, Will Jeremy Clarkson and James May visit you over there or do they have problems getting through US immigration?

I think they have enough tw*ts over there without needing any more. What can they bring? They're overweight, tall, opinionated and loud. There are enough of those sorts of people in America already!

 Hard Drive With Richard Hammond airs in 2012 (in America)!

HE'S RUDE, RANTY AND RIOTOUS! Jim's an awardwinning comic from Australia. He likes swearing, and being angry.

"Who do you think you are, America?"

I DON'T think I've ever written about anything as serious as this... after 116 years of greatness, the taste of HP sauce has changed, and we have the USA to blame. American giants Heinz bought the company and have decided brown sauce needs a third less salt, which has destroyed the tangy flavour. Well, America, who the f**k do you think you are? We don't go over there and change the flavour of ranch dressing or whatever the f**k it is you people eat. The British love salt and I don't think taking out a gram of it is saving anyone's lives. For crying out loud, it's a wellknown fact that Scottish people's blood's made up of 72 per cent salt anyway. Oh well, at least we have a real reason to riot in Britain now!

"Tattoos are bad for you?"

THERE ARE reports that tattoos can maybe give you cancer – the dye in the ink can affect your skin or something. But who gives a f**k? Just add it to the list! Cigarettes, mobile phones, asbestos, the sun, having sex with French people, pollution, fast food, not eating organic fruit and veg... judging by this, anything that's easy, convenient or fun in life will give you cancer. So f**k it, let's just live how we want and stop listening to all these reports that are released to scare us. I'd rather eat a cheeseburger and die at 70 than eat tofu and die at 80. Remember, you're here for a good time, not a long time!

"Bieber should adopt a kid!" JUSTIN BIEBER wants to be

JUSTIN BIEBER wants to be a dad before he's 25, and with his girlfriend, Selena Gomez. First, Justin, you're 17 and famous, so make the most of it and just f**k around. Plus, she's two years older than you –

sure, she's a hot 19-year-old now, but when you're 30, she'll be 32 and let's be honest, that's just gross. You're famous, so when you're 40, you should be marrying a hot 19-year-old and having kids. But you'll want to keep her looking nice, so adopt some orphans from Africa like a real famous person. I'm a big fan of adoption. I commend people who can open their hearts to a child that way. But there must be a moment when a white celebrity couple adopt a black child and the mum has to turn to the child and say, "I really don't know which product to use on your hair!"

"How can a two-year-old be stressed?"

INDONESIAN BOY Ardi Riza's given up smoking! Many of you will remember him from a couple of months back on YouTube - he was the two-year-old who smoked 40 fags a day. His father let him smoke because it calmed him down. The question here is, why was he stressed? He's f**king two years old! Was he having relationship problems or troubles at work? Gimme a break. But in his defence, it's difficult to kick the cigs, so fair play to the little fellow. Until next week, va f**kers!

Jim Jefferies: Alcoholocaust Live is out now on DVD!

Mental mixer spells disaster for digit!

THIS STOMACH-CHURNING

snap captures the moment after ceramic tiler Dave West's fingers fell foul of an industrial mixing drill! London lad Dave had been in the middle of cleaning the machine when he accidentally hit the trigger.

"The power was still on and my hand hit the switch," recalls Dave. "The rubber glove I was wearing got taken into the mixer, and because I panicked, I hit the trigger again and made it worse! The

flesh of the little finger was then twisted off, and my ring finger was dislocated."

Unfortunately, the top of his little finger couldn't be saved, although 13 stitches, five weeks off work, and three months of physio have since nursed the rest of his hand back to health!

SEX ADVICE FROM A FIT LESBIAN Because she knows what she's doing and we don't!

DANNI ORSI, 100% REAL LESBIAN! You might recognise Danni from hit TV show Candy Bar Girls on Channel 5!

I have sex on the brain!

All I do is think about sex.
Literally every other thought
I have has something to do with
sex. Even when I meet women
for the first time, all I can do
is imagine them naked in bed
with me. Is this normal?

MARCUS Dublin

Yes! It may be a sign you have too much time on your hands though. Find a hobby, goddammit! Besides, the less time you spend looking for p*ssy, the more you're likely to attract. Trust me.

She keeps laughing!

When I'm having sex with my girlfriend, she bursts out laughing every time she has an orgasm! It's really distracting and I'm starting to get paranoid that she's actually really laughing at me. Have you ever

She won't wear knickers!

My missus loves going commando. It doesn't matter what the occasion is, she just won't wear knickers! Nobody's ever said anything to me about it but I know my mates have noticed. What should I do?

TIM via emai

How have your mates noticed? Does she sit with her legs open? If so, you might have a problem! No panty line might mean a thong. I wouldn't worry too much – maybe she's just comfortable that way. Thinking about it, my friend never wears underwear and I haven't complained, but she sits like a lady. Maybe you should just pipe down!

heard of this reaction before? What do you think?

DODDSY via email

Yes, it's normal and a sign of joy and happiness. It could be possible she wants you to f**k her differently. Do you f**k her too seriously and just "make love" slowly? She might want it harder and playful. Give her something not to laugh about. Not in a sinister way, obviously, but if you make her orgasm ridiculously she won't have the energy to laugh afterwards. Wear her out!

I slept with a lesbian!

One of my best friends is a lesbian, but the other night, we ended up in bed together. Now I can't stop thinking about her. My mates think I should leave her alone and she's been really awkward with me since it happened. Should I move on?

ANDY via email

Was she drunk? Sorry, but she's ignoring you because she's upset with herself for what happened. Only you know if you have a connection. Either let her know or leave it but don't let the situation linger.

 If you've got something to ask Danni, just email her at thelesbian@nutsmagazine. co.uk or write to her at the usual Nuts address on p70.

THREE MEN stranded on a desert island find a magic lamp. When they rub the lamp, a genie appears and grants each man a wish.

The first man wishes that he was off the island and back at home. "Your wish is my command," says the genie, and the man disappears.

THREE BODIES turn up in the mortuary one day with smiles on their faces. A visiting policeman says to the coroner, "Why are they all smiling?"

The coroner says, "The first guy died of a heart attack during sex, and the second guy went the same way after winning the lottery. But the third one was struck by lightning."

"What's funny about that?" asks the policeman.

"He thought he was having his picture taken!" comes the reply.

RUSSELL KANE Vs the Nuts Question Bucket!

Sell:

The quiffy comedian on frogs, Cheryl Cole and, er, randy mums!

Copy:

THE RULES are simple. We fill our bucket full of

ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

Who's worse - Jeremy Kyle or Gordon Ramsay?

Jeremy Kyle. I love Gordon Ramsay – he's made swearing associated with passion. The fouler you are, the better you are at your job. I hope that works for every job. I don't think it works if you're a gynaecologist, though. "Sorry, madam, but your c**t's f**ked."

When was the last time you gave money to a homeless person?

What's a homeless person?

If you could be a member of Girls Aloud, who would you be and why?

I think I'd be Cheryl Cole because I'd really enjoy getting inside her... head.

Make up a swearword...

"Sh*tterising". It means bumming.

What one thing you've done would your mum be most ashamed of? Sh*tterising my ex.

What was the last lie you told to someone's face?

"Don't worry. I haven't got it in your hair extensions."

Can you lend us a tenner?

No, I've only got 50s.

Why are frogs so weird?

I find frogs interesting, slightly sad, solitary animals, who seek a different path and never connect with anything.

If you were an animal, what would you be?

A frog.

Have you ever got so angry that you've hit an inanimate object?

All the time. If I was coming to this interview

and I couldn't find my Travelcard, I'd hit something. I've had hypnotherapy and done an anger management course. It hasn't helped.

Have you ever been propositioned by a friend's mum?

No, no. I raped her. Only joking! I begged her until she relented and w*nked me off out of pity.

If you had to fight a bear, a snake and a crocodile in one day, in which order would you fight them and how would you beat them?

I'd start with the snake, which is probably the easiest to kill. You could just find an object like a chair and put it on its head. I'd feed that to the crocodile and sit on the crocodile's head so it can't open its mouth and stab it through the skull. And then I'd die when I fought the bear because I hadn't thought it through.

Would you be able to beat a dog in a race?

A chihuahua, possibly.

Would you rather walk backwards for the rest of your life or have your own

head but body of a moose? Walk backwards. Then I'd just change the direction I was going in and arrive anyway. Stupid question.

When was the last time you were sick in the street?

My first time in Ibiza, when I missed my plane because I was vomiting into a bin-bag and thought, "I'm never coming back." I've been back five times since.

What was the last thing that you stole?

It was a champagne glass from a flight.

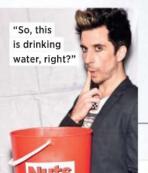

Would you rather captain a submarine or an airship?

Submarine. I'd like to bang someone in a submarine.

 Russell's new tour, Manscaping, begins on 18 September. Russell's live DVD, Smokescreens & Castles, is out on 11 November. See www. russellkane.co.uk

T JUST wouldn't be a Big Brother house without a feisty fittie to liven up the proceedings, and they don't come much fitter (or feistier) than former Miss Manchester Louise Cliffe. The eagle-eyed among you will have already clocked the 25-year-old Northern lass (and her awesome 34D boobs) gracing the fair pages of Nuts over the years, after you voted her a Bedroom Babe winner in 2006. So just remember where you saw her first!

Louise on... modelling

It's something I always wanted to do. It all kicked off with Miss Manchester, which I won in 2007 – I wasn't even going to enter it. I was very nervous because I was only 20, but my friend kept persuading me to go for it, and then I won it. Since then, I've been the face of many campaigns but I'm quite ambitious as an actress.

Louise on... posing

I've always just loved being in front of the camera. Whether it was singing, dancing or modelling. Basically I've always been a little poser.

Louise on... fitness

I was quite an athlete at school. I won county titles for hurdles and running, but I've been so busy over the past few years that I've not kept the running up. I'd love to run the London Marathon one day.

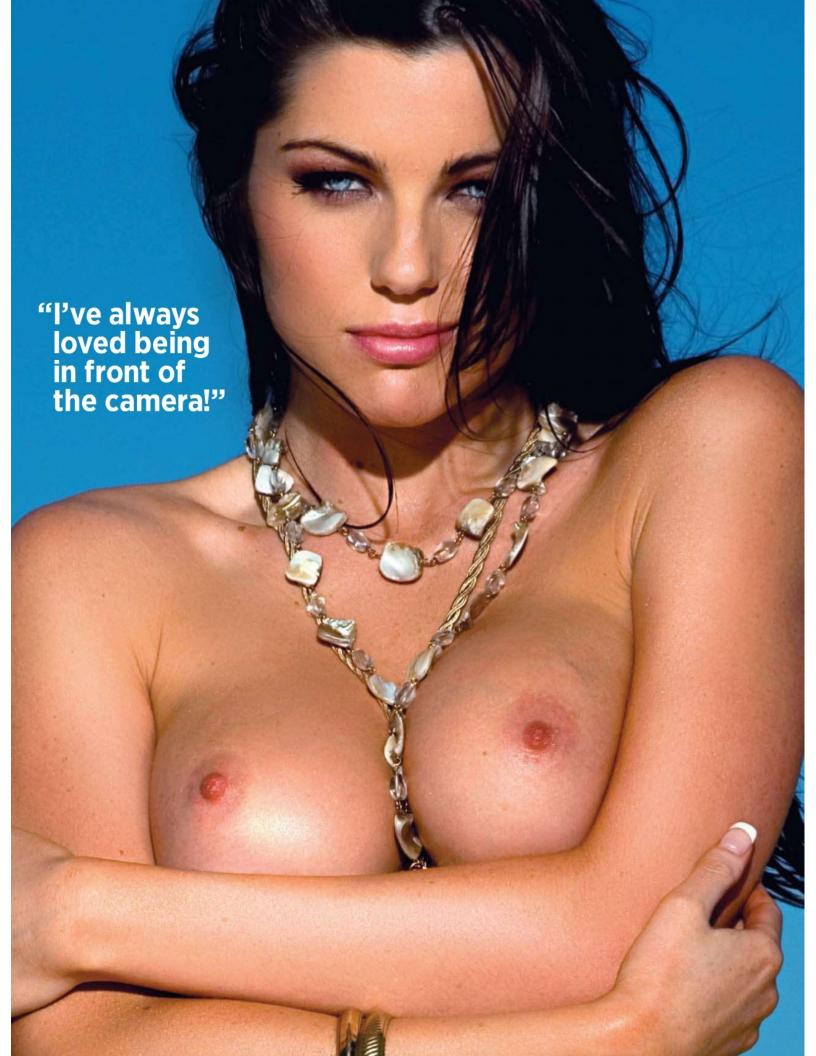

Louise on... popularity

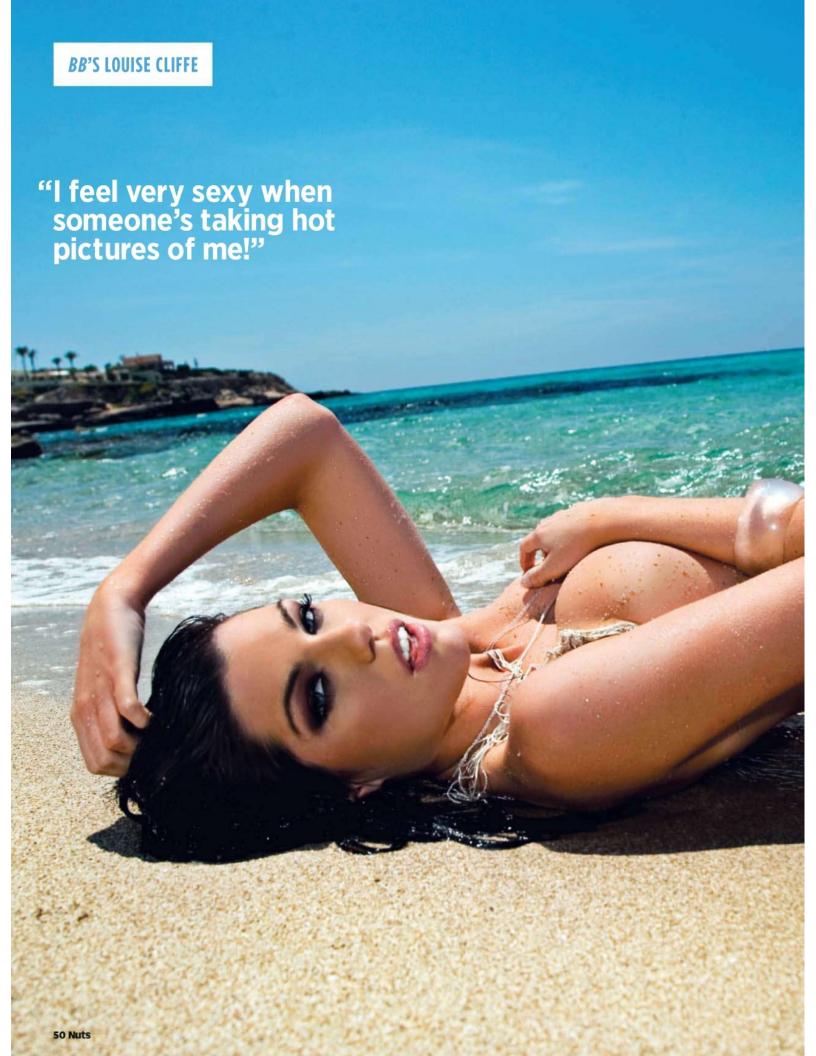

I think people like me because I'm a normal, down-to-earth person but also because I'm not a minger!

Louise on... fame

I get recognised from time to time because of all the shoots I've done. I'll be in a club and someone will come up and say, "Are you Louise Cliffe?" and I'll be like, "God! Yes I am."

Louise on... skinny dipping Me and my girlfriends ended up skinny-dipping when

we were on holiday in Spain once. We didn't take any photos, but we should've done!

Louise on... hot weather

I love it and I'm always keen on a bit of sunbathing, but I get so hot and very sweaty.

Louise on... sexy snaps

I feel really sexy when someone's taking hot pictures of me and I don't mind going topless because everyone's always complimenting me on my boobs.

Louise on... her idols

I'd love to be as popular as Elle Macpherson and I've been likened to Kelly Brook and Angelina Jolie. I'm happy with both of those comparisons!

Louise on... underwear

I like underwear that really shows off my figure and I love black underwear because it's quite slimming.

Louise on... acting

I'm very ambitious. The first film I did was *Wrong Turn 3*. I'm in the opening scene and I'm a victim – I have a nasty death. It's gruesome! The guy who kills me is very scary. I was absolutely petrified!

Louise on... sci-fi movies

While I was filming *Wrong Turn 3*, I was approached to audition for *Annihilation Earth* and I got a role in that with Luke Goss. I play a scientist – I didn't look too glamorous with my hair up and wearing a boiler suit!

Louise on... her ambitions

My ultimate goal is to be a Bond girl and I'd love to be in *Coronation Street*. People say I look a bit like Rosie Webster!

Louise on... her boobs

My boobs suddenly sprung up out of nowhere when I was 17, hence the career change from athlete to model! I used to get hate mail online saying I had fake t*ts. I don't have fake ones! What are they on about? I didn't need that.

Louise on... preparing her nipples for a photo shoot

I don't normally get naturally hard nipples during photo shoots. As a rule, you can't beat a quick tweak of the nips in between shots. Also, I sometimes douse my boobs in water or ice cubes as I find it really helps to get them pert.

Louise on... turn-ons

I have a very high sex-drive and I love the smell of men! I also like men dressed up as Smurfs. Seriously!

Louise on... being chatted up I don't mind being chatted up. I think some guys get intimidated but I don't know why. I hate it when blokes just stare. It makes me feel dead uncomfortable. Don't just stand there and stare, ask me a question or something.

Louise on... rude self-portraits I like taking sexy snaps of myself. What's good then is that if you don't like it you can delete it! I once wrote "Come Get Me" on my body and took a photo of myself naked.

Louise on... her favourite television programme and film I love *Dragons' Den*. I like that new bird, Hilary Devey. I wouldn't mess with her! Also, I like the *Rocky* films. *Rocky IV* is my fave of all *Rocky* films!

Louise on... planking

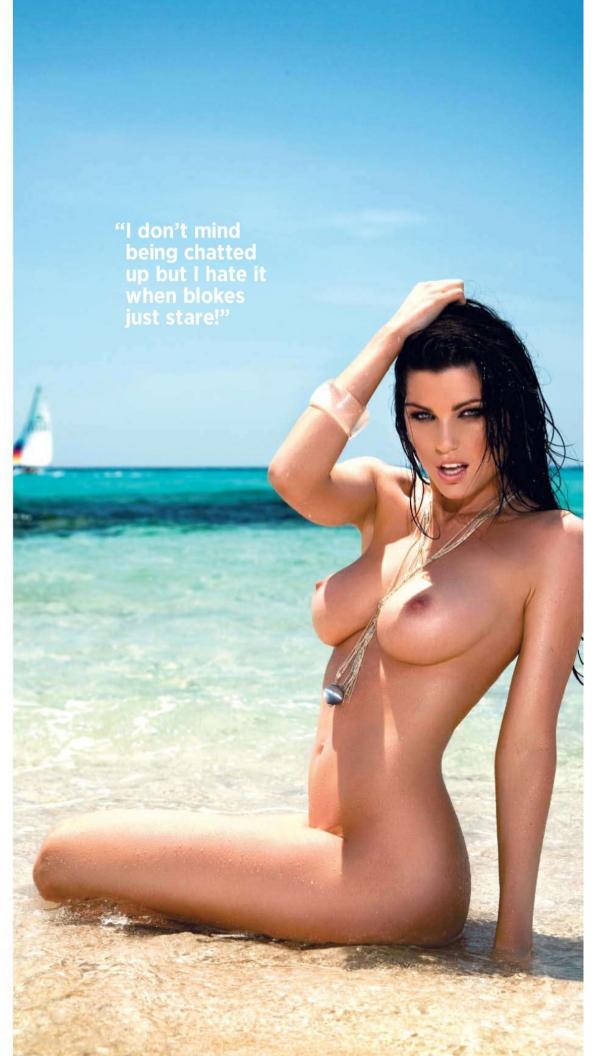

My brother showed me pics of him planking. I didn't know what it was but he said everyone's doing it! I might try it! Looks like it can be pretty dangerous, though.

Louise on... hugs

A hug is a great gift – one size fits all and it's easy to exchange.

Louise on... her morning routine I'll have a brew, some porridge, a Viscount biscuit, a shower, brush my teeth, clothes on, headphones on, and then I'm set for the day!

Big Brother is on
 Channel 5 every night.

The week's best TV, movies, games, fashion, music and tech!

Friday 23 September

England vs West Indies

SKY SPORTS 2/HD • 6pm

After handing India a tonking over the summer, the world's best team take on the West Indies in a few Twenty20 slogfests. Graeme Swann captains a new-look England in Stuart Broad's absence, but we still expect England

to win. We always do these days. Ace! ****

"Are you sure this is the latest hands-free mobile?" **NEW SERIES!**

An Idiot Abroad 2

SKY1/HD • 9pm

Karl Pilkington is Ricky Gervais and Stephen Merchant's gimp. So, in the follow up to last year's series, Karl turns his hand to Gervais (sadly as smug as ever) and Merchant's "Bucket List" - basically, a catalogue of bonkers things to do before you die. As usual, Pilkington steals the show with his utterly relatable daftness.

8 Out Of 10 Cats

CHANNEL 4/HD • 10.30pm

Blimey, this wasn't off long! After the previous set wrapped last month, it's on to series 12 of opinion poll-based giggles from Jimmy Carr. New captain Jon Richardson ruled last time with his fantastic self-deprecating gags. He and Sean Lock are back tonight, with guests boxer Amir Khan and The IT Crowd's Richard Ayoade.

54 Nuts

Saturday 24 September

Stoke vs **Man United**

ESPN/HD • 4.45pm

United's irresistible force meets Stoke's immovable object. We can't call it. Tony Pulis' lads have a daunting home atmosphere, top new signings and a great work ethic. And United? Just an on-fire Wayne Rooney and that Champions' confidence. Intriguing. ****

The X Factor

ITV1 • 8pm

As the wannabe popstars with incredible talent (ahem!) head to the boot camps, our sofas are our new best friends on a Saturday night. Add to that judging beauties Tulisa Contostavlos and Kelly Rowland, and the pub may need a new drinking partner... perhaps that redundant Irish muppet at the end of the panel?

American Gangster

ITV1 • 10.15pm

Ridley "Gladiator" Scott delivers a brooding New York gangster epic based on real-life '70s hood Frank Lucas (Denzel Washington). The film charts the rise and fall of the superfly villain as he battles Russell Crowe's ruthless cop Richie Roberts.

Sunday 25 September

X-Men Origins: Wolverine

CHANNEL 4 • 6.50pm

It's the story of Wolverine's early days, and you know what? It got the thumbs down in cinemas, but we're giving it an almighty thumbs up! There's cracking action, loads of mutant back story, and it's a right old entertaining superhero romp.

Fighting On The Frontline

CHANNEL 4/HD • 9pm

War docus offer an insight into a life most of us can barely comprehend. This new series brings that into sharper focus, showing the realities of life as a soldier in Afghanistan. With behind-the-scenes access and honest interviews, it's unmissable stuff.

The Only Way Is Essex

ITV2/HD • 10.15pm

You'll watch it to get into the missus' good books, but you'll soon start liking this. Glamour models, low-cut tops and tiny bikinis mean it's a show that keeps on giving. Nuts loves Essex girls, and their obliging nature on TV just makes us even bigger fans.

BBC2/HD · 9PM

We like Stephen Fry on QI, but not here, where he looks at the origins of language. In the spirit of that, let's make this crystal clear: avoid it!

Monday 26 September

The Real Hustle: New Recruits

BBC3 • 8.30pm

Painfully pretty Polly Parsons shows us the dangers of leaving expensive cameras on display, and Ashley Banjo from prancey dance troupe Diversity pretends to be an art-gallery worker. Oh, and Jessica-Jane Clement stars. What more reason do you need to watch?

Made In Chelsea

E4/HD • 10pm

Packed with nines because "no one is a ten" according to insightful berk Spencer, the new series following rich Chelsea totty promises more laughs than ever (mainly at characters so posh it's almost a disability). Living a life of Xbox, drinking and girls, the lads continue to chase fit fillies with cringey results.

This Is Jinsy

SKY ATLANTIC/HD • 10.05pm

More surreal, CGI-enhanced comedy from the island of Jinsy, where a beard nibbler is threatening to ruin the annual Beardboy competition.

Meanwhile, Arbiter Maven's interview with Glove Hygiene Monthly editor Roopina Crale (guest star Catherine Tate) is derailed when Sporall shows up with a mud-spattered goat...

Bayern Munich vs Man City

SKY SPORTS 2/HD • 7pm

Man City have started the season well, but it's the Champions League that'll show how good they really are. Ex-City man Jerome Boeteng is in Bayern's ranks, as are Franck Ribery and Arjen Robben, but City have quality too. Sergio Aguero, anyone?

Later Live – With Jools Holland

BBC2/HD • 10pm

The pocket-sized piano bloke's back!
Kasabian perform tunes from new
album, *Velociraptor!*, and rapper
Wretch 32 turns up too. Of less
concern, singer-songwriter James
Morrison plays, as does Neil "Crowded
House" Finn's new band, Pajama Club.

True Blood

CHANNEL 4 • 11.45pm

More saucy supernatural shenanigans as the hit vampire series becomes even more bonkers. This week, sexy Sookie's search for Bill takes her to Mississippi after Eric enlists a werewolf to protect her. We're sure that there'd be many a hairy-palmed young man willing to accompany Anna Paquin on a mystery adventure!

SHOWBOATERS

SKY1/HD . 8PM

It's a duff reality show about cruise ship performers, so why on Earth would you want to watch it? Well, say hello to 20-yearold dancer and Essex girl Emma!

Valencia vs Chelsea

ITV1/HD • 7.30pm

It's only the second game, but the Blues look well set for the last 16. Why? Well, Valencia's surprise draw with Genk didn't hurt, but Chelsea's win against Bayer Leverkusen helped more. A win here and Roman might be dreaming of European glory again.

The Fades

BBC3 • 9pm

More monsters, ghosts and highschool nightmares in the moody Brit spook show (think Buffy meets Skins and you're stabbing a stake close to the mark). Paul's dreams about the end of the world are getting worse, so Neil introduces him to a ghost (yeah, that'll relax him, pal!). Meanwhile, Mac, has a plan for meeting girls...

CHANNEL 4 • 10pm

Fresh Meat

From the writers of Peep Show comes the second episode in this ace sitcom about students sharing a house at uni. Will throwing a party make the housemates more popular and score some of them a sh*q? Josie is still chasing Kingsley, buts does berk JP (Jack Whitehall) still look like he's just escaped from Made In Chelsea?

Thursday 29 September

Ringer

SKY LIVING/HD • 8pm

The ever-lovely Sarah Michelle Gellar is the witness in guestion, who ends up taking on her sister's identity to remain hidden. One to watch with the girlfriend, perhaps?

Young Soldiers

BBC3 • 9pm

It's one thing being a hardened member of the Armed Forces, but guite another getting to that point. Darren and Andrew complete basic training tonight and join First Battalion the Rifles. But with deployment to Afghanistan only six months away, only now do the pair realise how tough the future could be.

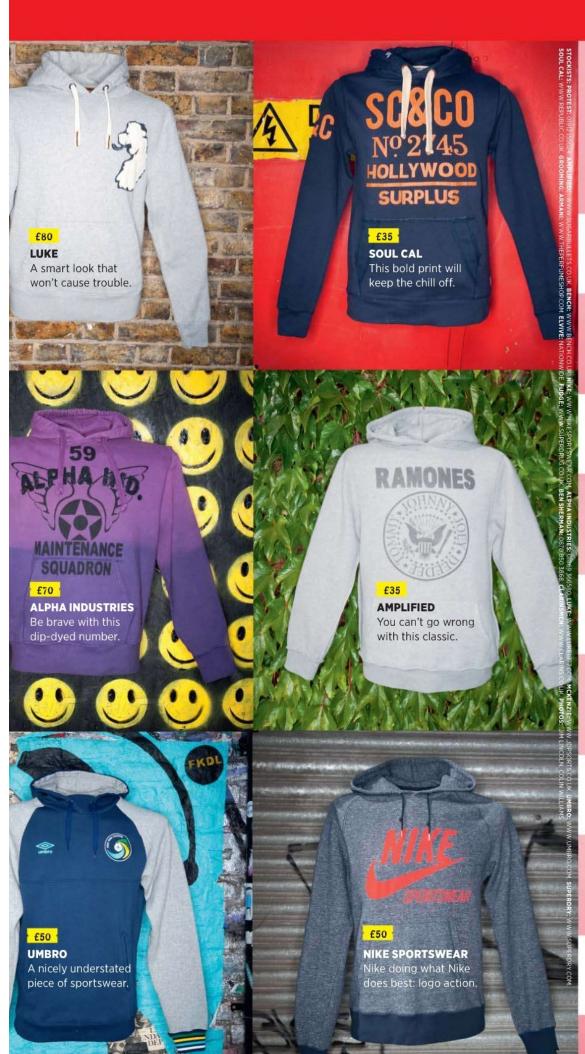

Show And Tell

E4 • 10.35pm

Comedian-turned-insurance salesman Chris Addison hosts a new series in which three comics we've never heard of take it in turns to "show" off an item and "tell" us why it's so great. We wanted to go on with our collection of celeb toenail clippings but they never replied to our emails. E4's inbox must be full or something.

A host of top tips to help you play Deal or No Deal!

YOU MAY think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p. and if you play on all lines, you could win a progressive jackpot. One recent Nuts Games winner bagged himself £229, 776!

How to play

- The aim is to get winning symbol combinations from each spin of the reels. with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

The number lines

It's all self-explanatory - click the number beside the reels. or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins - this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

Plus win up to £10k!

CONFESS! TO OUR SECRETARY!

Racy revelations from our female readers!

'We had fun in a photo booth'

A FEW weekends ago, my man and I were at V Festival. We'd been drinking all day and were feeling frisky, so he pulled me into one of the photo booths. Everyone else was pulling silly faces for their pictures, but we thought we'd do body parts! After taking our clothes off, I sat with my legs open. Getting his head to one side, my man licked me up and down and pushed his tongue deep inside. The camera flashed and before I knew it, he had his erection out and was pushing it into me. We've got some very raunchy pics for our collection! Rachel London

'He took me in the lift'

EARLIER THIS year, my man and I moved into a new flat in an old building with beautiful, ornate lifts that are mirrored from floor to ceiling. One night, as we walked home, we were having a dirty conversation and as we got in the lift, he grinned at me in the framed mirror. He gave me a huge, passionate kiss and as his hands wandered lower and he felt how wet I was, he had to have me then and there. We had furious sex up against the

mirrored side of the lift and I could feel it moving upwards all the time. Someone had called the lift up but the danger of getting caught just made me come harder. Luckily, we finished just in time!

'He licked my nipples'

I WENT to a friend's wedding last week and couldn't take my eyes off the groom's hot brother. We flirted all day and I eventually managed to sit next to him when people started dancing. After some serious flirting and leg rubbing, he asked me if I wanted to nip up to his room as he had some champagne on ice. I felt so horny and very naughty. As soon as we got through the door, we stripped each other in a mad, passionate frenzy before he rubbed ice cubes over my body and poured champagne over my boobs, making my nipples stand to attention. He slowly inserted his fingers inside me and I wrapped mine around his erection. I couldn't hold on any longer and asked him to put a condom on as I wanted to ride him hard and fast. He didn't need asking twice, and soon I was on top as he licked and sucked on my nipples. We sneaked back to the wedding an hour later and nobody had even noticed!

'He lifted up my skirt'

AFTER BREAKING my wrist a while ago, I had to visit the hospital regularly for treatment, and each time I was there, I noticed the same hot porter. We always made eve contact and had flirty chats. On one visit, I was reading a book when he beckoned me to follow him. We went into a dark corridor and he pushed me up against the wall. He lifted my skirt, moved my knickers aside and thrust his fingers deep inside me. His hands then moved to my boobs and I felt his stiffy pressing against me. I loved feeling his fingers stroking and pinching my hard nipples and I was soon screaming out with pleasure. It wasn't until we were adjusting ourselves afterwards that I could hear my name being called out by a nurse! Clair Harlow

10 RUDE QUESTIONS!

And a real girl to answer them!

Emma

25 Norwich

Where's the strangest place you've had sex? "In my horse's field. It was very open, but it was cheeky and fun!"

What's your trademark move in the bedroom?

"Putting on very sexy underwear, doing a dance around my pole, then switching to a lap dance. Being a dancer has made me fairly flexible!"

What turns you on?
"A good way to turn
me on is the tease – to be
teased for hours with texts
and pictures, getting told
rude things all day. I like a
bit of feistiness, so getting
teased and told what's to
come would really work!"

What's your favourite position?

"I like control and also like not having control, but if I had to choose, I'd get to be in charge! So, I'd have to be sitting upright on top – that way we both get to watch and get a view!"

5 is it better to give or receive?

"I'd have to make sure we were both satisfied, so I'll have to go for both!"

6 What one thing would you really like to try that you haven't yet?

"I'm very open-minded and adventurous, so if I have something in my mind I want to do, I'll do my damnedest to get it done!"

7 Ever got it on with another girl?

"What girl hasn't? It was years ago, but I remember it being very sexy as girls are just sexy generally. But I'm on men these days and that's how it'll stay."

What's your favourite role-playing costume?

"It has to be the police officer! That way I get full control, handcuffing my man and getting to spank him with my truncheon!"

Have you ever made a sex tape?

"They're a bit dangerous, if you ask me – they're bound to end up somewhere they shouldn't be!"

10 What's the rudest thing you've done?

"I was modelling in Holland and I was asked to help promote a sex show, but of course, not be involved in the actual live show! Even so, I had a sneaky look!"

EXCLUSIVE!

Aguero: 'I'll fight to the death in every game!'

Argentine ace Sergio on Maradona, Rooney and dodgy weather!

Hi Sergio! So, two goals on your Prem debut. Not bad!

I've enjoyed my start! It's gone better than I'd hoped so far – I feel like I'm at home.

But what about the Manchester rain?

It's fine! I don't like the heat too much anyway!

Some people thought you might find the Premier League a bit too physical.

It's the opposite. For years, I've watched English football. The pace is incredible and players here are huge, but I don't fear anyone.

So English defenders don't intimidate you?

No. I respect them. When I was younger I played against older footballers who tried to kick me. It didn't work and I learned a lot. I'm sure I'll enjoy every battle here.

What about the pressure that comes with your transfer fee?

Players don't choose the fees. I've been brought in to do a job and have confidence that I can do this for Manchester.

So what was so attractive about Man City?

I spoke to people like Carlos Tevez and Pablo Zabaleta. He gave me his inside knowledge of the club. He told me about the fans. They sound like my kind of people!

And the ambitions?

There's a plan to make Manchester City one of the biggest clubs in Europe as quickly as possible. I see no reason why this can't happen.

You're one of the favourites to lift the Premier League title!

I believe we have the players and structure to win it. We have many skilful players in all positions and also great determination. I can see great times here very soon!

You sound confident!

Confident, yes. Arrogant, no. I've always worked hard for everything in football and I'll continue with this mentality.

What's it like having Diego Maradona as a father-in-law?

It's the same as any family relationship. Yes, he's an incredible figure in football, but he's still just my father-inlaw. We don't talk endlessly about football!

Can you do for Man City what Maradona did for Napoli?

I hope so! Comparisons make me uncomfortable because he's a hero. He was very supportive of my move to Manchester as he saw it as a chance to become a better player who'd win trophies.

We hear Lionel Messi also advised you to come to City.

He wished me well, which I appreciated. Hopefully we'll meet in the Champions League this season!

Do you think you can win the Champions League?

Of course. We can be one of the biggest clubs in Europe soon. The quality's evident. I've always dreamed of winning the Champions League. Maybe I'll have the opportunity soon!

Barcelona and Man United will no doubt have something to say about that!

Barcelona have been together years and know the system. We're still learning. United are our biggest rivals. The relationship between the fans makes this special.

You and Wayne Rooney seem to be going head-to-head. What do you know about him?

Rooney's a talent, a warrior, an inspiration. England are lucky to have him.

Thanks, Sergio! Any last message for City's fans?

I'll fight to the death in every game. I want to score goals but much of my role is about making defenders uncomfortable. I'll also try to enjoy myself because football can be too serious sometimes!

Nuts SPORT

Five top Prem debuts!

Players who matched Aguero's impressive start

FEDERICO MACHEDA

The Italian teenager scored an ace goal on the turn to beat Aston

Villa and put United in line for the 2008/09 title.

MARIO STANIC

A magical 40-yard volley against West Ham announced the

Croatian's arrival at Chelsea in 2000, but that was as good as it got.

DANNY ROSE

The young Spurs star scored a screamer against arch rivals Arsenal

within ten minutes of making his debut last year.

RUUD VAN NISTELROOY

The Dutchman quickly notched the first two of his 150 goals for Man

United in his Old Trafford bow against Fulham.

ROBBIE KEANE

Coventry spent big to capture Keane in 1999. Scoring two on

his debut was a nice way to start repaying them.

ONE DEBUT TO FORGET!

On his Liverpool debut, Cole was sent off in the first half against

Arsenal. He never got over it and recently left on loan.

Lindegaard & should be No.1!

Dane deserves extended run between the sticks!

quite a lot of talk about Man United's goalkeepers lately. New boy David de Gea's made a nervous start to his Old Trafford career, and after Anders Lindegaard's performance against Benfica in the Champions League, a number of people are saying he should be given a chance in goal.

I have to agree with them

– Lindegaard was superb
in Portugal, made some
wonderful saves and showed
all the composure required
of a top-class keeper. He had
nothing to lose and made
his point to Fergie. In fact,
his performance has done
nothing but pile even more
pressure on De Gea, and if
I were the United manager,
I'd take the young Spaniard

out of the firing line for a few matches and let Lindegaard have his chance.

Two keepers with bags of potential, who are both desperate to be first choice, is a fantastic problem for to Sir Alex to have. It makes a nice change, too, because there are a lot of reserve goalies who are very happy to sit on the bench and just pick up a massive salary!

Europa League is a burden!

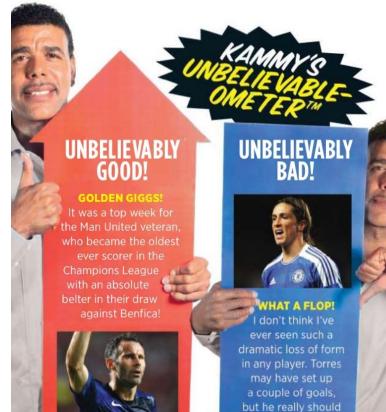

I SEE that Harry Redknapp played a second-string Tottenham side for their opening Europa League match.

At this early stage of the tournament, the games are a burden on teams like Spurs.

If Harry's boys have any hope of challenging for the top four, they need to save their best players for the league. It's a similar situation at Birmingham, too, whose main goal is to win promotion this season, not the Europa League.

For Stoke, however, it's a great experience for them. To play in Europe's a dream for their supporters. Then again, if they're to take the next step and challenge for a Champions League place, it's something they could do without as well!

Ronaldo's up his backside!

CRISTIANO RONALDO has come out and said fans only boo him because he's rich and handsome! The Real Madrid man's a truly amazing player but he really has disappeared up his own backside in recent times! In my opinion, Ronaldo started believing his own hype quite a while back, and he's basically been a showbiz footballer ever since. The annoying thing is, he's actually probably right, although you'd never catch someone like Lionel Messi saying anything like that. I know one thing – it certainly wasn't a problem I ever had!

be scoring them!

Man City vs Everton

24 SEPT, 12.45PM • Sky Sp 2

Roberto Mancini's men have been in irresistible form of late. Some of their football has been outstanding – it's been like watching Barcelona at times! I fear for Everton in this one. David Moyes will get everyone behind the ball and try to play for a draw, but I think they'll be edged out.

KAMMY'S PREDICTION: 2-1

Key man

Man City striker Sergio Aguero's been banging the goals in for fun since his arrival in England and looks like he'll be a big hit at Eastlands.

Fab wouldn't slate Arsenal!

CESC FABREGAS has said his quotes about leaving Arsenal because he couldn't see them winning trophies have been taken out of context. I believe him – he'd never criticise them after all they did for him.

Premier League hall of I shame!

The most-booked players ever!

Bolton's Kevin Davies become only the second player to reach 100 Prem bookings. *Nuts* likes a meaty challenge, so here are the other dodgy tacklers who top the list!

GAVIN MCCANN

leaving a trail of bashed
bodies in his wake. Total
career goals? Just 12.

Fouls aside, Parker nearly saved West Ham on his own last year. He bagged the Football Writers' Player of the Year award.

PATRICK VIEIRA
